Karen L. Kenney **OrganizingWORKS!**

Karen Kenney has operated OrganizingWORKS since May 2000. She has lived in Bedford for most of her life, except for brief move to Lakeland, Florida in the mid 90's.

Karen learned the value of good time management skills and being organized when she went back to school in 1997 to earn her Business degree. She was working full time, going to school part time and starting her organizing business. In 2001, Karen graduated with a Bachelor's Degree from Emmanuel College.

Karen loves to help people to get organized, feel less stressed and more at peace. Karen works with seniors, busy parents, widows/widowers, children with learning issues such as ADD and ADHD, hoarders and chronically disorganized people. She helps people manage things such as the onslaught of mail, toys/collectibles, etc. Karen is that extra pair of hands and eyes that can help get back on track. She can help to eliminate the overwhelming feeling of not knowing where to start!
