

Roberta (Bobbie as we know her) Ennis has been in Bedford since 1961 (51 years) and is married to Lou. They have five children; two daughters (who live in Bedford) and three sons. They also have fourteen grandchildren.

Bobbie has been involved in the life of Bedford, with open arms. She has been on over 40 committees, town nonprofits and clubs - too many to list here. According to the Minuteman article by Eileen Kennedy, Bobbie said, "The people here in Bedford, they are the type of people that really help other people – that's Bedford".

One of her favorite is the Bedford Santa Program, where every child in Bedford gets a gift from Santa on Christmas Eve. As Chairman of the COA, she spearheaded the COA Town Center Building. She has been Treasurer of the Girl Scouts, President of the Bedford Woman's Community Club, Chairman of the Public Ceremonies Committee, and a member of the Bicentennial Committee. She was Treasurer of the Bedford 2K Committee, Co-Chairman of the BAA, Treasurer of the Social Club, and on the Emerson Hospital Auxiliary Board. She is a member of the American Legion Auxiliary, is the Co-Chairman of the CSF's Permanent Funds, and is on the Patriotic Holiday Committee. Bobbie is on the Nominating Committee of the FBCOA, on the Child Identification Program (CHIPs), and on the Nominating Committee of the Garden Club.

She served on the School Committee, the School & Municipal Space Needs Committee, the Town Schematic Design Board and the Designer Selection Board for Town Center. She also was on the Bedford High School Building Committee and the Fallen Veterans Memorial Committee (in front of the high school).

Bobbie and two friends started the Bedford Red Hat Society because she loves going to lunch (especially with the Red Hats) and to dinner with her MahJongg ladies.

Lou and Bobbie support and are dedicated to the Autism Spectrum organizations.
