**Dispatcher Remarks:**Concord resident called to report a verbal altercation occured in Bedford today. He was coming from the Burlington Mall, and while on Page Road, his GPS told him to turn onto a dirt roadway that would connect him to another road. He did, and a W/M with glasses came out of a house and began yelling and swearing at him. The caller tried to explain that he was unfamiliar with the area, and lost but the other party was very angry. He was concerned that this male was severely overreacting to the situation. The caller did not know exact location, but believes he turned off Page Road. Log only.
