

## **STILL RIVER OUTFITTERS, INC.**

We (Karen, David and John) started Still River Outfitters in February 2004 as a way to pass along our love of paddling and the outdoors in general. We've been going strong ever since. Our specialty is novice recreational paddling classes and youth whitewater and coastal kayak classes. We also teach many other types of classes that will help you feel comfortable no matter how you choose to enjoy the outdoors. Our classes are taught all over Massachusetts making it easier for you to participate. We work with schools, recreation departments, scouts, summer camps, and just about anyone who will ask for our help bringing great classes to their community.

We have a great group of people who work with us. They're all great people, instructors, and we count them all as our friends. We all will do everything possible to make sure you get a great deal out of our programs.

Browse the site, register for a class, and by all means contact us with your questions. If you don't see exactly what you're looking for throughout these pages don't worry, tell us what you're looking for and we'll work with you to make it happen.

Be safe out there!

David and Karen Cudmore, and family.
