

**LEXINGTON-BEDFORD**

*Join the  
Rooftop  
Revolution!*

*Solar Energy experts from the Mass Clean Energy Center will present "Solar 101", an educational session providing an overview of how solar electric systems work, an explanation on how Federal and State incentives can save you money, and how you can go solar with the new community based "Solarize Lexington-Bedford Program."*

**Jan. 29, 2014**

**7:00-9:00 PM**

**Cary Memorial  
Building,**

**Battin Hall**

**Lexington**

**1625 Mass. Ave.**

**More solar,  
more benefits**

*You can:*

- **Save on solar**
- **Lower monthly electric bills**
- **Protect the environment**
- **Fight climate change**
