The Bedford Local Transit (BLT)

The Bedford Local Transit (BLT) is a public transportation service offered by the Town of Bedford and is funded in part by the MBTA. Anyone may ride the BLT. The BLT uses a wheelchair-accessible van.

The BLT offers fixed route service to shopping destinations within Bedford, and Billerica. To ride on a fixed route, board at any of the stops at the times listed. The BLT offers door-to-door dial-a-ride service within Bedford throughout each weekday at times when there are no fixed route runs. Trips to Market Basket in Billerica are every Tuesday and require advance reservations.

To arrange a ride, call the BLT at 781-275-2255 **between 8 a.m. and 9 a.m. for a ride later that day.** Rides are arranged on a first-come, first-serve basis and all slots may be taken before 9 a.m. You may call for medical appointment rides up to three days in advance. Alternatively, you may flag down the BLT along its way during the time of the fixed route run and the driver will stop **if it is safe to do so.**
