

The following is the expected work schedule for the week of January 11th, as provided by Revoli Construction:

- The crew will be installing bends and fittings on the 18-inch replacement pipe in front of the American Legion.
- The crew will continue to fuse 18-inch replacement pipe along The Great Road across from Masardis Street
- The crew will begin to excavate the access pit in Great Road at Masardis Street.

Slip lining of the force main from the Main Sewer Station, down to the corner of Stop & Shop, under the Shawsheen River, across the American Legion parking lot and back to The Great Road is now complete. Temporary paving has been installed for the winter season.
