

**HISTORIC DISTRICT COMMISSION  
MINUTES OF MEETING  
MARCH 23, 2022**

Town of Bedford  
Remote Participation Conference Call  
Meeting called to order at 7:00 PM

**PRESENT:** Alan Long, Acting Chair; Karen Kalil Brown, Clerk; Sal Canciello; Karl Winkler

**ABSENT:** William Moonan, Chair

**BUSINESS MEETING:** The Commission will meet to finalize a statement, for upcoming Town Meeting on 3/28, about its role in the decision to demolish the structure at 139 The Great Road to make way for a potential new Fire Station on that site.

Mr. Long introduced himself as Acting Chair and said that the purpose of this meeting was for the Historic District Commission (HDC) to craft a statement for Town Meeting. He noted that it was important for Bedford residents to understand that, if this parcel was purchased by the Town for the new fire station, the HDC still had the final say and this was not an “automatic” approval.

The members screen-shared the letter and discussed it in detail, both in terms of content and wording. When they were in agreement about its contents, Ms. Kalil-Brown offered to read it at Town Meeting.

Mr. Long thanked the Board members for attending the meeting.

**Adjournment**

Mr. Long called for a motion to adjourn the meeting.

**MOTION:**

Ms. Kalil-Brown moved to adjourn the meeting.

Mr. Canciello seconded the motion.

*Roll call vote:*

Long: Aye  
Kalil-Brown  
Canciello: Aye  
Winkler: Aye

The motion carried unanimously, 4-0-0.

The meeting adjourned at 8:10 PM.
