

Energy & Sustainability Committee
Thursday, September 28, 2023
6:30 to 7:45 p.m.

Lack of Quorum Notice

Committee members attended the Bedford Community Forum; Climate Impact of Private Jet Expansion at Hanscom or Anywhere at the Bedford Town Hall Reed Room

Several Energy and Sustainability Committee members were in attendance and participated in the forum which is documented on Bedford TV's YouTube channel but the forum did not constitute a meeting of the committee as a quorum of the committee was not present at the forum
