<b>Small Electronics</b>	\$18.12

*Republic Services will not schedule pick up of construction & demolition debris, such as toilets, sinks, wood waste, exterior doors, etc. Residents should contact a private disposal service or utilize a dumpster bag to dispose of these materials.*

**Hardship Waiver**

Residents experiencing financial hardship may request a fee-waiver for certain disposal fees, such as curbside appliance collection, overflow bags or short-term use of an additional trash cart. Requests will be honored on a case-by-case basis, as funding allows. Residents must submit a written request and actively participate in the current curbside recycling program in order to receive a waiver. Residents in developments served by private trash services are not eligible to apply. Contact Liz Antanavica, Refuse & Recycling Administrator, at (781)275-7605 x4261 or [eantanavica@bedfordma.gov](mailto:eantanavica@bedfordma.gov) for a waiver application.
