

PUBLIC FORUM

GREAT ROAD ZONING PROJECT

SATURDAY MARCH 4, 2017 10AM - 1PM
BEDFORD HIGH SCHOOL, CAFETERIA B
9 MUDGE WAY, BEDFORD

WHAT: A Visioning Session

Join your neighbors and help us develop a common vision for the business areas along the Great Road corridor.

Re-envisioning land use along the Great Road:

Contribute your ideas on the future of our business areas, as part of the Great Road Zoning Project.

- What kinds of activities and businesses would you like to see?
- How should new buildings look and be designed?
- Are there distinct areas along the Great Road that should be treated similarly or differently?

Refreshments and a light lunch will be provided.
Participants are automatically entered into a free raffle just by attending.

For more information contact Planning Director Tony Fields:
