CLEAN UP AFTER YOUR PETS

During a rainstorm, bacteria and other parasites found in pet waste can be washed into rivers and streams, with detrimental effects on the environment. Pet waste left on lawns can also kill or damage grass. Bring plastic bags on walks and scoop the poop!

Pet waste belongs in the trash.

Visit the DPW's Bedford Day booth for a FREE ROLL of bags!

FALL CURBSIDE YARD WASTE—NOVEMBER 7, 14 & 28

Curbside Yard Waste will be collected by Republic Services on three dates in November. Residents should place all material in paper bags or open barrels (clearly marked "yard waste") at the curb by Sunday evenings.

Please report missed yard waste collection to Republic Services at (800)442-9006.

ACCEPTABLE MATERIAL INCLUDES:

- Leaf litter, pine needles & yard trimmings
- Weed and tree material (up to 1" diameter)

Please keep paved areas and storm drains clear of leaves. Store composted yard waste away from any wetland or storm drain. If you hire a lawn services, make sure all yard waste is properly disposed.
