### Using your new Cricut Machine

- This class is for the beginner – it will be geared toward those who have little to no experience with Cricut or Design Space.
- Required for Class:
  - Cricut machine Explore or Maker models. *This class does **not** cover Cricut Joy.*
  - Cricut Design Space on laptop or ipad (subscription helpful but not necessary)
  - Basic Cricut tools (most come with the machine bundles): Cutting mats, scissors, weeding tool, scoring tool
  - Project materials:
    - Vinyl, cardstock, transfer tape, pens for projects you create
    - Suggested project: case to hold paper –we will customize in class with your name or monogram: From Michaels store (often listed for \$4.99). <https://www.michaels.com/12x12-clear-scrapbook-case-by-simply-tidy/10575615.html>
    - Notebook, clipboard, or sign on which to apply design
    - Cardstock and pen to make greeting card
- If you have any questions about the class ahead of time please feel free to email the instructor at [lisajmagnuson@gmail.com](mailto:lisajmagnuson@gmail.com)
