Auto-Pay Authorization Form

2023-2024

Monthly Payment of Tuition:

Kids' Club offers a free and convenient service to make it easy for you to pay your monthly child care tuition bill automatically. By completing and submitting this form, you allow us to charge your credit card or financial institution on the date payment is due (first business day each month). Using this auto-pay service, there's no need to send a check every month or worry about late fees. Your payment is securely processed using the Federal Reserve's electronic payment network that is also used by financial institutions nationwide. Your record of payment will be on your monthly credit card or bank statement.

To auto-pay your monthly fees with your credit card, just include the account number and expiration date below. If you prefer to auto-pay from your checking account, please attach a voided check with this completed form.
