

FREE COVID-19 TEST KITS

COVID-19 cases are on the rise in Massachusetts!
The Bedford Health Department has received a limited supply of at-home COVID-19 test kits.

Starting 8/15/24, Bedford residents are invited to stop by the Health Department office to pick up a free test kit (2 tests included) on a first come, first served basis.

Testing allows you to know if you have COVID-19 so you can follow the necessary protocols:
