Taylor Loesch
2019/2020 Dance
Program
Director/Instructor

Miss Taylor comes to us from Natick MA. Originally from western MA, she started her dance career at the age of 8 at Turning Pointe Dance Academy in Thompson CT. Miss Taylor started as an assistant dance teacher at age 13 and taught throughout her high school career. Miss Taylor attended Framingham State University, earning a degree in Fashion. Shortly after college, Miss Taylor began teaching dance part time at a local dance studio and at the MetroWest YMCA. Miss Taylor's career continued to flourish when she was made Assistant Director of Dance and Gymnastics at the MetroWest YMCA in February 2018. With continued success, Miss Taylor was promoted to Director of Dance and Gymnastics at the MetroWest YMCA in August 2018. During her time with the YMCA, she grew the program from 7 to 18 dance classes. Miss Taylor is currently a dancer for an indoor arena football team and continues her training to further explore more performance opportunities. Miss Taylor is excited to be a role model and to expand the dance opportunities in Bedford. She looks forward to an amazing 2019-2020 season and cannot wait to get to know her new students!
